

Author Compliance Guidelines (Strictly Enforced)

1. Double-Blind Review Compliance

- Submissions must be fully anonymized.
- Author names, affiliations, acknowledgments, and identifying information must not appear in the manuscript.

Violation will result in immediate desk rejection

2. Paper Length Requirement

- Papers must be a minimum of 4 pages and a maximum of 6 pages (inclusive of all content, references, and appendices).

Papers not complying with page limits will be desk rejected

3. Originality and Multiple Submission Policy

- Submitting the same or substantially similar paper to: Multiple venues, or Multiple tracks within the same conference is strictly prohibited.

Violations will result in immediate rejection of all instances of the same manuscript

4. Authorship Declaration

- All authors must be listed in the submission system at the time of submission.
- The author list in the submission system must match exactly with the camera-ready submission if accepted.

No additions, removals, or reordering of authors are allowed after the review process is completed.

5. Plagiarism and Similarity Check

- All submissions will be screened using Turnitin for plagiarism and AI content (Plagiarism <30% and AI content < 50%).

- Plagiarism, including self-plagiarism, is strictly prohibited.

Papers exceeding acceptable similarity thresholds will be rejected without review

6. Formatting Compliance

- Papers must strictly follow official IEEE formatting guidelines and templates.

Non-compliant submissions will be **desk rejected**.

Failure to comply with any of the above requirements will result in Desk rejection without review
